

## ALL PLATINUM

**Date of Birth:** 06/15/2023  
**Registration 1:** 292550  
**Sale Price:** \$  
**Breeder:** New Age Cattle Co  
**Owner:** 11 Ranch Longhorns

Her sire is the son of the DELTA VAN HORNE clone her dam combines the genetics of JESTER and the clone of SHADOW JUBILEE. She has more color than a melted box of crayons and could be a foundation female for any herd. It took a lot of great breeding to get this one.
